Monmouth Traction Company-
Petition

To the Township Committee of the Township Marlboro:-

The Monmouth Traction Company a corporation formed under the provisions of an act of the Legislature of the State of New Jersey, entitled "An act to authorize the formation of traction companies, for the construction and operation of street railways and to regulate the same, approved March 14, 1893, and the acts amendatory thereof and the under signed, directors of said incorporated Company hereby petition your Honorable body for permission to construct, operate and maintain a new line of street railway in and upon certain of the public streets, avenues or highways of the Township of Marlboro, in the County of Monmouth and State of New Jersey, hereinafter named, that is to say, extending in and through the public road or highway know as the Freehold and Keyport Turnpike, from the extreme northerly boundary line of the Township of Freehold Northerly a distance of Thirty seven Thousand three hundred and Ninety-six feet and Eleven inches to the northerly boundary line of the Township of Marlboro, conformably to the route designated in the description of the route of such new line, exhibitating the same, filed in the office of the Secretary of State at Trenton, New Jersey, on the fifteenth day of December, A.D. 1897 and for a location of the route

and a location of the tracks and rails of the said new line of railway in said Township of Marlboro conformably to said route and to determine the place or places upon which the poles for sustaining the electric wires of said railway shall be located.

And your petitioner shows that the said Monmouth Traction Company desires to build, construct, operate and maintain a new line of railway to be operated as a street railway upon the route aforesaid a part whereof is in the Township of Marlboro and that before beginning the construction of such new line it filed in the office of the Secretary of State of the State of New Jersey a description of the route of such new line showing the termini thereof together with a map exhibiting the same, with the course and distance thereof; that a copy of such description and map is herewith presented and filed.

Your petitioner respectfully shows that the character of the road intended to be constructed, operated and maintained is a single track railway with the necessary turnouts and switches to be operated as a street railway with the overhead trolley system of electrical equipment; that the motive power to be used thereon is electricity. That the street or streets or other public highways or places through which the same shall extend in the said Township of Marlboro are as follows, to wit, in and through the public road or highway know as the Freehold and Keyport Turnpike from the extreme northerly boundary of the Township of ~~Marlboro~~ Freehold, northerly a distance of thirty-seven thousand three hundred and

ninety-six feet and eleven inches to the northerly boundary line of the said Township of Marlboro.

Your petitioner further shows that accompanying this application is a map of the route of the said railway, showing also the proposed location of rails or tracks, and the location of poles.

And Your petitioner will ever pray etc.

Minutes of Township Committee Meeting held May 9th 1899 were called for and read and H. V. M. Dennis a member of Committee at that time made the following statement.

That Dean Kinney, John L. Ely and others, came before the Committee at that time, and gave committee an estimate of the cost of the Holmdel and Bradevelt road, and stated that they had raised by subscription, a certain amount, which would leave a little over Eight Hundred Dollars $800.00/100 to be raised by Marlboro Township, to pay the 10% assessment on the cost of the road, and thereupon the Township Committee of Marlboro Township having on hand $500.00/100 appropriated at the annual town meeting for the use of

this road; and the power conferred by law, to levy an emergency tax of 10% of the township tax, amounting to over $300.00/100, They resolved that they would appropriate that amount toward the 10% of the cost of the road, and that the minutes of May 9th 1899 should have so stated."

Committee met at 8 P.M. at the call of chairman D.A. Baird to consider the application of the Monmouth Tell Line Co. for privilege to use certain roads of the Township to erect telephone lines on

Present H.P. Hayward
J D Ely Jr. D.A Baird

The following was adopted

Whereas, The Monmouth Tell Line Company has applied for a designation of certain Highways in the Township of Marlboro, in and upon which the poles and posts of said Company may be erected for the purpose of conveying telephone wires in and over said Highways: and consents in writing of property owners abutting the highways hereinafter mentioned having been obtained:

Be it Resolved, by the Township Committee of the township of Marlboro, that the road or roads leading from Herbert known as Dutch Lane road and roads from said Dutch Lane road to Marlboro, and such other roads as may be necessary to reach its subscribers be and the same are hereby designated for such purpose and permission is hereby given to said company its successors or assigns for the erection of its poles and posts thereon: provided that such poles and posts shall be erected in all respects according to law: so as not to interfere with public travel, or with the grading and repair of such road in all cases such poles and posts shall be erected subject to the approval of the township Committee. If at any time it becomes necessary or advisable on the part of the Township Committee to remove any of said poles along any part of the above route there and in that case the said telephone Company at the request of said Township Committee

will remove any or all of said poles.

I hereby certify that the forgoing is a true copy of a resolution regularly adopted at a meeting of the Committee of Marlboro Township

Newark, N. J. June 10, 1905.

To the Township Committee,

Township of Marlboro, N. J.

Dear Sir:-

We beg to advise you that we desire to place poles and wires for the purpose of giving telephone service to residents of the Township, along the following highways:

Highway leading from the Freehold-Matawan County Road, via Hillsdale, to the southern limits of the township.

Highway leading from the Freehold-Matawan County Road from Wickatunk, via Pleasant Valley, to the southern limits of the township.

Highway leading from Holmdel-Pleasant Valley Road, via H. D. Ely's, to the southern limits of the township.

This notice is given in accordance with a second clause of the resolution passed by your Honorable Committee, June 3rd, 1901, granting permission to the New York & New Jersey Telephone Company to erect, maintain and renew telephone poles and wires through the roads of the township.

Yours truly,

THE NEW YORK AND NEW JERSEY TELEPHONE CO.
