

## Safe Routes to School Bicycle Rodeo

Wednesday, April 22, 2015

12:50 – 1:25 (Grade 4)

1:35 – 2:10 (Grade 5)

Location: Barack Obama Elementary School Parking Lot

1300 Bangs Avenue, Asbury Park, NJ 07712

Meadowlink, in partnership with Monmouth County Health Department, Asbury Park Police Department, Second Life Bikes, Meridian Health & Asbury Park Board of Education bring you a Bike Skills Program.

A **Bike Rodeo** teaches children basic skills needed to safely ride their bikes.

Children can learn and practice on-bike drills within a fun and challenging obstacle course.

- Parent/guardian permission are available through the school and **required** to participate.
- Bicycles or Scooters welcome
- Helmets must be worn during the activity
- Free helmets will be available in limited quantity courtesy of Meadowlink!

If you can balance while tracing a figure 8 on your bike, you are likely ready for the Bike Rodeo! Riders will learn how to scan for traffic, maneuver through an obstacle course, recognize hazards and signal their intentions to drivers and fellow riders. If you can't ride a bike – come on down – we'll teach you!
