Administrative Procedures for Obtaining a Player Assistant Card In accordance with the guidelines of the Americans with Disabilities Act

FOR INTERESTED PARTY REQUESTING ASSISTANCE

- ❖ A customer who requests a Player Assistant Card must be issued a Player Assistant Card Application. Application can be obtained at any MCPS golf center. Form must be filled out and returned to golf center staff who will then issue a Player Assistant Card.
- ❖ The customer will be issued a card with the card class 'Non Player', at no cost.
 - Cards that are issued at the golf center are issued in good faith; however, the Manager of Golf Facilities will have final approval once he or she receives the application. Applicant will be notified in the mail the final status of his or her application.
 - This card **CANNOT** be used for greens fees or to make a tee time reservation. The card is valid for 12 month from the date of issue.
- ❖ The player assistant **MUST** present his or her 'Non-Player' card at the golf center when he or she accompanies a golfer who needs assistance. The player assistant is **NOT** charged a greens fee, cart fee (if applicable), or a reservation fee. The player assistant is **NOT** permitted to bring a set of golf clubs on to the course. The golfer, who is accompanied by the playing assistant, is required to pay any and all appropriate fees, including: greens fee, power cart rental (if applicable), and any appropriate reservation fee.
- ❖ If the golfer is under the age of 18, or otherwise not able to operate the power cart, the player assistant will take full responsibility and sign the power cart rental agreement. The single rider cart fee shall be collected for the power cart shared by the golfer and the player assistant.
- ❖ The player assistant is not considered a member of the playing group and may not physically participate. The player assistant must remain in the cart or with his or her partner throughout the round. The player assistant's sole function for being on the golf course is to assist.
