

CREATURES of the Night

Get into the spirit of the season with the *Creatures of the Night!* This light-hearted and educational twist on a Halloween hayride takes visitors through Huber Woods Park, Middletown. These interactive, family-friendly hayrides will help you discover nature as staff and volunteers dress as nocturnal animals of the woods. This year, the creatures are busy building and renovating their winter homes. Join the fun as you enter the construction zone and meet each animal architect as they prepare to build their dream homes.

Offered on Friday and Saturday evenings, October 11-26, hayrides leave at staggered times between 5:00pm and 8:00pm. The cost is \$8 per person. **Pre-registration is a must.**
