**CHARLESTON SPRINGS GOLF COURSE
CELEBRATING 15 YEARS**

MILLSTONE – Nationally renowned golf trick shot performer Dennis Walters will be on hand Monday, August 19 at Charleston Springs Golf Course to celebrate the site’s 15 year anniversary. Walters’ performance begins at 6:30 pm.

In 1974, Dennis Walters suffered an accident that left him paralyzed from the waist down. This easily could have crushed his love of golf, but Dennis refused to allow himself to be defeated. After much dedication, he now plays golf by using a swivel seat mounted to a golf cart. With his dog Bucky by his side, he’s taken his love of golf to inspire others and has made over 3,000 appearances, performing across the country and in other countries around the world.

Dennis' theory is that if you have a good swing you can hit good shots with almost anything and he proves this by hitting precise shots with clubs made from a fishing rod, a crutch, a radiator hose and a cell phone. He also has a club with 3 universal joints on the shaft and a club with 3 heads (his 3 iron). Dennis hits shots blindfolded, through fire and

let's not forget the 200 yard putt. Other highlights you will see in the show are shots hit off 3 foot high tees, off a watch and with an egg balanced on the ball.

In addition to the Dennis Walters Golf Show, visitors of all ages can participate in a full schedule of hands-on activities from 5:30-9pm. Activities include mini lessons with our certified instructors, miniature golf, chipping games, long drive contest, demonstrations, “touch a tractor” photo opportunities, and ball fitting by Bridgestone Golf. Plus, enjoy an opportunity to meet Dennis Walters, inspirational golfer and honorary lifetime member of The PGA of America.

Charleston Springs Golf Course was designed by noted golf course architect Mark Mungeam and offers 36 holes of championship caliber golf. The par 72 North Course features extensive bunkers, multiple water hazards, and large immaculately maintained greens. The par 72 South Course has utilized the existing terrain and natural features to define each hole. The golf complex offers a fully stocked golf center, food concession snack bar, locker rooms, and showers. A warm-up range has grass tees and six target greens. A 5-acre short game area is also available.

To learn more about Park System activities, visit www.monmouthcountyparks.com or call the Park System at 732-842-4000. For persons with hearing impairment, the Park System TTY/TDD number is 711. The Monmouth County Park System, created in 1960 by the Monmouth County Board of Chosen Freeholders, is Monmouth County’s Open Space, Parks, and Recreation agency.
