**RE: *Monmouth County Comprehensive Master Plan
Kick-off/Public Information Session***

Dear Monmouth County Resident:

The Monmouth County Planning Board invites you to attend one of our upcoming Kick-off/Public Information Sessions to learn more about our new Comprehensive Master Plan initiative. An afternoon presentation will take place as part of the monthly Monmouth County Planning Board meeting on Monday, October 21, 2013 at 2:00 p.m. in the Hall of Records Annex, 1 East Main Street, Freehold, New Jersey. For those who are unable to attend the Planning Board Meeting, a Public Information session on the Master Plan will be held on Tuesday, October 22, 2013 at the Monmouth County Agricultural Building, 4000 Kozloski Road in Freehold beginning with an open house at 6:30 p.m. followed by a presentation starting at 7:00 p.m.

The purpose for the Kick-off/Public Information Session is to introduce municipal officials, stakeholders, and citizens to the first countywide comprehensive master plan update in over thirty-years. Since adoption of the last master plan, the *Monmouth County Growth Management Guide*, in 1982 the Monmouth County Planning Board has worked on a number of regional plans and specific plan elements. The new master plan will synthesize and coordinate previous efforts as well as address new regional issues through several innovative approaches.

The Public Information Session is open to everyone and anyone interested in making a positive contribution to the project. I encourage those interested in municipal and regional planning issues to attend and participate in the public meeting. For more information about the meeting or the Monmouth County Comprehensive Master Plan, please visit the project web page through the link located on the [Monmouth County Planning Division website](#).

Sincerely,
Vincent Domidion
Chair
