Employees are contributing 4.30% of the total Health Insurance Costs paid by the County. As of 2012 all union contracts have expired and employees are contributing towards their health insurance. Most employees are still paying at 1.5% of salary towards health benefits as it is still higher than the chapter 78 law. The only employees under chapter 78 as of now are about 100 employees in our traditional indemnity plan where the premiums are much higher. In July of 2012, when year 2 of the chapter 78 phase in begins the county will start to see additional employees falling under chapter 78.
