

MASTER GARDENERS OF MONMOUTH COUNTY

MASTER GARDENERS SCHOLARSHIP

Dear Director of Guidance Counselors:

The Master Gardeners of Monmouth County are offering a scholarship award of \$1000 each to up to two (2) High School Seniors who are planning to enroll in one of the following programs on a matriculated basis at a New Jersey College or University for the fall semester 2013: Horticulture, Environmental Sciences or Engineering, Botany, other Agricultural disciplines, or related fields.

The applicant must be a resident of Monmouth County and must have demonstrated an interest in horticulture, landscape, agriculture, or environmental issues, through class work, employment, community service and/or extra-curricular activities. We are not asking the student to demonstrate financial need or submit confidential financial information. We are asking that applicants submit two copies of the scholarship application (enclosed), a high school transcript, and two recommendations. Our office should receive the application by May 10, 2013 and we will notify the winner by June 1.

Please notify any students that you feel might be interested of the existence of this scholarship award. We are enclosing a copy of our information sheet for posting on a bulletin board or other location and a copy of our scholarship application. If you or the students have any questions or would like to receive an electronic version of the application, please contact us at mgmcnj@gmail.com. We are unable to accept applications on-line at this time.

Thank you for your attention to this matter,

Kent Fleming, Chair
