HISTORIC PRESERVATION GRANT PROGRAM

Thank you for your interest in the Monmouth County Historical Commission's Historical Preservation Grant program. The Commission is the official County body created by the Board of Chosen Freeholders for the promotion of preservation of Monmouth County history. Our principal program is the Historic Preservation Grants, an undertaking that recognizes the acute need for funding to preserve Monmouth County's rich and diverse built environment. This program provides enabling funds to serve as a model for other giving and to encourage municipal and organizational commitment.

The Commission plans to grant funds allocated by the Board of Chosen Freeholders on a competitive basis to eligible applicants (i.e., municipalities and non-profit organizations), which need financial help in preserving or restoring historic structures. (*Due to a recent New Jersey Supreme Court ruling, houses of worship are not eligible for these funds.*) Funds are allocated in the form of a dollar for dollar matching basis. There is a \$500 minimum and a \$7,500 maximum grant (*increased this year from \$5,000*) per applicant. The program is very competitive; therefore not every eligible applicant may receive a grant award.

The applicant must read the application carefully. The application and the submission process will be reviewed at a brief Grants Workshop, to be held at 6:00 PM, Monday, September 24, 2018 at the Planning Board Conference Room, 2nd Floor, Hall of Records Annex, 3 East Main Street, Freehold. Please call or e-mail (as below) to let us know if you are coming. Start your preparations early, as many have found that obtaining two reliable bids can be the most difficult and time-consuming step.

The deadline for applying is Monday, November 5, 2018 postmark or delivery. The format requires completion of the attached application and submission with other required documents. If you feel further guidance may be helpful, please contact the Commission at the Hall of Records Annex, Freehold, NJ 07728 or (732) 431-7460, Ext. 7413. Our Executive Director, John Fabiano's usual office days are Monday and Wednesdays, or contact him by e-mail at john.fabiano@co.monmouth.nj.us referencing the preservation grant program in the subject line. Please note that the application, designed for simplicity and intended to be user-friendly, must be followed carefully.

Sincerely,

Barbara Kolarsick-Harrigan

RULES AND REQUIREMENTS

The application must be complete and the project must meet all of the requirements as outlined herein. An incomplete or untimely submission will result in rejection of the application.

I APPLICANTS ELIGIBLE FOR FUNDING

Non-profit organizations and municipalities in Monmouth County, without regard to the entity's size or budget, which do not have outstanding at year-end an incomplete Commission grant older than one year. In other words, when applying in 2018 for a 2019 grant, an applicant will not be eligible for a 2019 grant if a Commission grant for years 2017 or earlier is outstanding on December 31, 2018.

II TYPES OF PROJECTS ELIGIBLE FOR FUNDING

Preservation, restoration or rehabilitation of historic structures in Monmouth County, usually fifty years or older, which are accessible to the public are eligible. The program covers essentially structural work for projects commonly known as "bricks and mortar" undertakings.

- Projects where work that has already begun are not eligible, although consideration may be given to the latter parts of multiple-phase projects, where larger undertakings have been divided into separate projects
- Submissions from federal or state agencies, although "friends groups" or similar organizations of such agencies that have conservation responsibilities are eligible
- Operational expenses, including salaries of employees, general operating expenses and other costs attendant to an applicant's historic work, including exhibits, collection purchases, research and publications (These expenses are eligible for our *new* History Regrant Program funding.)

- *Houses of worship, including, but not limited to, churches, synagogues, temples, mosques, etc. or any other building or structure owned by a religious organization*

Cost of materials for "bricks and mortar" type construction and wages of skilled workers are allowable expenses.

V AMOUNTS AVAILABLE, MATCHING REQUIREMENT AND PAYMENT OF FUNDS

- a) Grants are made for a minimum of \$500 and a maximum of \$7,500 per applicant. Each dollar granted must be matched by one dollar cash by the applicant. In-kind matching is prohibited.
- b) Payment of any grant is contingent on the Freeholders appropriating grant funds in the 2019 budget.

VI DEADLINE FOR SUBMISSION

Entries must be postmarked or delivered to the Monmouth County Historical Commission, Hall of Records Annex, Freehold, by November 5, 2018, a deadline that is absolute and total. The applicant must execute a hold harmless agreement (using the language set forth below) and submit a Certificate of Insurance for General Liability in an amount not less than \$500,000 Combined Personal Injury and Property Damage and add the County of Monmouth as an additional insured. Said certificate, *which shall not be a copy of your policy's declarations*, shall include Contractual Liability to insure this required hold harmless agreement.

The applicant shall execute on its own letterhead, signed by a representative authorized to make contracts on behalf of the applicant, a hold harmless agreement using the following sample text:

VIII FINANCIAL SECURITY

The Commission may require proof of availability of matching funds and/or the successful applicant to open a separate bank account specifically designated for the project and to deposit their entire grant and matching funds in said account.

Municipal grantees are required to submit a resolution by its governing body authorizing the dedication of matching funds, which may be done after a grant is designated.

The Commission reserves the right to audit the grantees accounts relating to grant funds and payments to contractors. The Commission reserves the right to demand and receive the return of any funds not spent in accordance with the program's Rules and Regulations or other stipulations and, by submission of the application, the applicant agrees to this provision.

IX. REPORTS

Each grantee is required to submit Interim and Final Reports, one page documents to be accompanied by three photographs each that depict project progress, preferably taken from the same perspective as the pre-work images. The Interim Report is due August 1st or when 50% of the work is completed, if earlier. The Final Report due at completion is to be evidence of completion and shall be accompanied by a cancelled check and/or receipt from the contractor acknowledging payment in full. Copies of the report forms are included in this application. The grantee is not permitted to reduce the scope of the granted project without the concurrence and approval of the Commission.

HOW TO APPLY

Each applicant must submit an original and nine (9) copies:

1. Completed Application signed in ink by an authorized representative of the non-profit organization or by the authorized agent for the municipality.
2. Project Narrative – This is a description of the applicant’s mission or purpose; its meaning to history; the project’s significance and purpose; the audience the applicant serves and any other important facts or reasons that the Commission should consider in evaluating the application. As an option, applicants may also include brochures, newsletters, or other supporting documentation to assist the MCHC.
3. At least three color photographs depicting different views of the project. The photographs should relate to the narrative and enable the Commission to perceive the proposed project and evaluate the work after its completion. At least four copies of the three photographs must be in color to permit proper evaluation of your project. **In order to assist the Commission’s evaluation of your Final Report, keep copies of submitted photographs and send images with interim and final reports from the same perspectives. If we are unable to evaluate your Final Report from the submitted material, an on-site inspection may be necessary, which could delay payment.**
4. A detailed budget for the project and source of funding available for the applicant’s dollar for dollar contribution.
5. If the application is for a structure for which grants have been previously given, especially for work of a similar character, the distinction of the new application must be explicit.
6. Two quotations for the proposed work, sufficiently detailed to describe the scope of work and materials to be used. Replacement with like or same material may be a requirement.
7. A timeframe for the work, which should be scheduled for completion by December 31, 2019. No funds will be paid after that date without the expressed written consent of the Commission prior to December 31, 2019. Requests for extensions shall be submitted no later than November 1, 2019 and approvals for extensions will be considered by MCHC on a project by project basis.
8. A Certificate of Insurance and Hold Harmless Agreement as specified herein.
9. Two letters of recommendation, using either the sample form enclosed with the application or a separately written letter, by persons capable to evaluate your project and your ability to complete it. **THE LETTERS OF RECOMMENDATION MUST BE PART OF YOUR SUBMISSION. Such recommenders must not be members, office holders or employees of your organization, or their families, or be directly connected with the project, or be an elected official or employee of the County of Monmouth.** Enter the title of the project on your recommendation forms or advise those submitting the recommendations to reference that title in their letters.
10. PLEASE DO NOT PLACE THE MATERIAL IN BINDERS OR OTHER ENCLOSURES THAT ARE DIFFICULT TO USE AND STORE.

ABOUT THE PROCESS

The applications are reviewed and the Commission's judgments are based on a number of factors including, but not limited to: historic significance; urgency of need, both of the applicant and the surrounding area; adherence of the project to historic authenticity; public accessibility; geographic distribution throughout the County; quality of application and financial ability of the applicant to realistically complete the project. Prior grantees may be judged by their past performance in complying with and documenting their earlier grant(s). Not every eligible project is guaranteed to receive a grant as requests regularly exceed available funds and the program is competitive. Completed applications are due November 5, 2018. Successful applicants are notified shortly after the January 2019 Commission meeting, while the grant awards are presented at the subsequent Commission meeting in February.

COMPLIANCE

The applicant agrees that it has complied and will comply with the applicable Federal and State laws relating to nonprofit corporations and has filed appropriate Federal Income Tax reports and made timely payments of Withholding and FICA as required by law.

The applicant will comply with all the requirements of the Federal Civil Rights Act of 1964 and all other applicable Federal, State and Local laws. Services will be rendered without regard to race, religion, color, natural origin, handicap or sex.

No rights or obligations under this contract may be assigned by any party without the written consent of the Commission.

The Commission and/or Board of Chosen Freeholders reserve the right to a refund, on demand, of all funds that were expended in a manner not consistent with the terms of this contract, not expended in a timely manner, or as a consequence of administrative or financial non-compliance of the grant program.

The Commission's failure to enforce any requirement or obligation of the grantee, either in a current or prior grant, shall not constitute a waiver of such requirement or obligation.

COMMISSION'S PREROGATIVE

The judgments and decisions of the Commission with respect to any interpretation of the program's Rules and Requirements, possible ambiguity in the program's Rules and Requirements, or questions of eligibility of any applicant, or the suitability of any proposed project, or the relative merits of any applications, or decision to waive or refuse to waive any Rule or Requirement, shall be conclusive. In addition, the Commission cannot and does not guarantee that all applicants will be awarded a grant, and there is also no guarantee that awarded grants will be for the amount requested. The Commission's determination to award grants shall be final and subject to any conditions established by the Commission.
