

The **National Center for Biomedical Research and Training (NCBRT)** at **Louisiana State University** invites you to join us for a unique training opportunity. The NCBRT is offering the following Department of Homeland Security (DHS) certified course:

Readiness: Training Identification Preparedness Planning

MGT-418

This course teaches participants how to create effective training plans for their agencies and jurisdictions. By evaluating their abilities to meet their emergency operations plan (EOP) using traditional and national preparedness tools, participants can answer the following critical readiness questions:

- How prepared do we need to be?
- How prepared are we?
- How do we prioritize efforts to close the difference?

Agencies that plan and train together are much better equipped to successfully respond together. In this course, participants learn a Jurisdiction Training Assessment Process in which an integrated assessment team creates a jurisdictional profile and evaluates their abilities to meet their EOP. Participants are then able to identify and catalog training gaps and identify ways to close them by prioritizing training efforts, developing improvement plans, and implementing a course of action.

Professional Disciplines: Law Enforcement, Emergency Medical Service, Emergency Management Agency, Fire Service, Hazardous Materials Personnel, Public Works, Governmental Administrative, Public Safety Communication, Healthcare, Public Health

The target audience for the **Direct Delivery** version of this course must include individuals from each discipline whose responsibilities include the following:

- Plan development, including emergency operations plan
- Training needs determination and management
- Resource allocation and management (personnel, equipment and systems)
- Purchasing and logistics management
- Exercise coordination, development and evaluation
- Capabilities evaluation
- Organizational design and management

Date:

Location:

How to Register:

All participants are required to have a **FEMA SID** prior to enrolling in this training. Please visit cdp.dhs.gov/femasid to register for a **FEMA SID**.

NCBRT

MGT-418

The National Center for Biomedical Research and Training at Louisiana State University offers DHS-certified courses covered under the NCBRT's Homeland Security National Training Program Cooperative Agreement. As a DHS primary training provider, the NCBRT can offer this vital training at no direct cost to your agency. Please contact us at info@ncbrt.lsu.edu or 1-877-829-8550 to schedule a course through your state administrative agency, or visit www.ncbrt.lsu.edu to learn more about the NCBRT's training opportunities. Remember, the time to prepare is now!
