D. CONTRACT PERIOD

The contract period shall commence on January 1, 2024, and continue through December 31, 2026 for a three (3) year period. The contract may be renewed for two (2) separate one-year renewal options at the discretion of the County.

JPAY HAS READ, UNDERSTANDS, AND WILL COMPLY.

E. CONTRACT TERMINATION

This contract may be terminated without cause by the County upon one hundred and twenty (120) days written notice to the Contractor.

JPAY HAS READ, UNDERSTANDS, AND WILL COMPLY.

F. USER FEES AND COMMISSION

The Contractor shall detail all fees or costs to users (e.g. family, friends, public, etc.) for utilizing these electronic fund transfer services through each access point proposed. Additionally, all fees should be clearly defined for each payment method type, including cash, money orders, debit card or credit card. Each fee or cost shall be clearly defined, including whether it is a flat, percentage based, and/or tier based. Unless mutually agreed upon with good cause shown, all proposed fees shall remain constant or unchanged for the duration of the contract, including any renewal periods exercised by the County.

At no point shall the County be charged any fee or cost in the delivery of these EFT services. However, the County intends to add a flat three-dollar (\$3.00) fee or commission to each transaction to offset costs associated with verifying, processing, receiving, and auditing said funds. The Contractor shall not include this added County commission when proposing their user fee and cost structure. The Contractor will be responsible for collecting the commission and remitting same to the County on a monthly basis with supporting documentation or reports.

JPAY HAS READ, UNDERSTANDS, AND WILL COMPLY.

JPay appreciates the opportunity to continue our longstanding relationship with Monmouth County Correctional Institution (MCCI). As such, we are pleased to offer

the fee structure below. We recognize the financial constraints on the family and friends of inmates, so we are also proposing lower fees for EFT in the most utilized tiers, plus additional tiers to allow for more options. Please note that, as instructed, the \$3 per transaction County commission is not included in the fees listed. Rates will remain fixed throughout the length of the contract.
