REVIEWER SIGNATURE:		_DATE:					
I. GENERAL CRITERIA (50 MAX. POINTS) POINTS RECEIVED							
	Poor	Fair	Good				
Consistent with RFP Guidelines Experience working with juveniles involved or at risk of involvement in Family Court. Staff has knowledge and understanding of juvenile delinquency. Adolescent substance abuse treatment Contractor is licensed. Application is fully completed and submitted by the deadline. All required documents are attached Consistent with County Preferences Ties into Comprehensive Youth Services Plan and service priorities. Delinquency prevention program targets high need communities / research documented. After-school & summer component included. Established linkages are evident with community resources. Strong collaboration is shown among agencies (affiliation agreements/letters of support). Cultural issues are considered. Broad geographic accessibility is demonstrated. Minimal or no start up delays. Clearly states problem, intervention, goals, objectives, outcomes, and evaluation methods. Reflects efficient service delivery of a quality standard and has limited administrative costs.							
Past performance of service Contractor with the Monmouth County Youth Services Commission.
