**MONMOUTH COUNTY PARK SYSTEM EXTENDS DEADLINE TO ENTER ITS  
2019 PHOTOGRAPHY EXHIBIT**

MIDDLETOWN & HOWELL —The Monmouth County Park System is extending the deadline for photographers to enter its *The Cycle of Life* photography exhibit to December 15. Held at Deep Cut Gardens, Middletown, and the Manasquan Reservoir Environmental Center, Howell, photographers can submit images for consideration at either or both sites. Open to professional and amateur photographers of all ages, each site offers general and macro categories with youth (under age 18), amateur adult, and professional adult divisions. Each division will have a first, second and third place photograph with a best in show awarded. Honorable mentions will be selected from all categories for inclusion in the exhibition. Photographs must be taken at Deep Cut Gardens or the Manasquan Reservoir, respectively.

While photographers can submit entries for either or both sites, separate submission is required. The cost to enter is \$10 per person per site; maximum of two photographs per site. Acceptance into the shows is not guaranteed. If selected, only one piece will be exhibited per site. Rules and entry forms are available on the Deep Cut Gardens' and the Manasquan Reservoir Environmental Center's webpages at [www.MonmouthCountyParks.com](http://www.MonmouthCountyParks.com).

The Deep Cut Gardens exhibit will be open daily from 10 a.m.-4 p.m., January 1-31 at the Horticultural Center, Red Hill Road, Middletown. The Manasquan Reservoir exhibit will be open daily from 10 a.m.-4 p.m., February 2-28 at the Environmental Center, Georgia Tavern Road, Howell.
