Nov. 14, 1913.

G. A. Quakenbush
Englishtown, N. J.

Dear Sir:

I understand that there has been gravel taken out of my bank on Beacon Hill, by the Township, since the fall of 1911, since which time I have no check. Owen P. McDonald has a sign on the property, which I paid him to put there, thinking to catch some of the numerous individuals which are using the gravel, but he, was to have nothing to do with gravel taken by the Township.

Please look over your records and see if there has been any gravel paid for since

the fall of 1911. Also have you any account of gravel taken this year? Make all checks payable and mail direct to me. No one else has authority from me to collect.

Hoping to hear from you soon, I am.

Yours Truly

H. L. Jones
